Ithaka S+R and the Academy for Innovative Higher Education Leadership are accepting applications for Leading Innovation: A Seminar for Department Chairs. The seminar is open to all department chairs at not-for-profit baccalaureate granting institutions. We encourage groups of 2-3 chairs from the same college or university to apply, but do request that each chair submits their own application. Admissions to the seminar are rolling, and we are accepting applications through April 1, 2018.
