Supporting Military-Connected College Students

Applying Theory to Student Affairs Practice

Edited By **Paul A. Tontz, Montaigne S. Long**

This valuable resource provides an up-to-date and accessible evidence-based guide to help ensure student veteran and military-connected student success in higher education institutions. Compiled from both the most respected experts in the field in addition to newer innovative practitioners, this volume is an accessible guide for higher education and student affairs practitioners, faculty, and graduate students who form the next generation of support.
